LIVERPOOL AND DISTRICT
CLOTHING COMMITTEE.

NORTH CORPORATION SCHOOL,
BLACKSTOCK STREET, BEVINGTON BUSH,
LIVERPOOL.

The proceeds from the sale of this programme will be given to the Liverpool and District Clothing Committee.

This organization was founded in 1921 with the object of providing clothing for urgent cases of need. By its interest and assistance many are enabled to make a fresh start in life, to thoroughly regain strength after sickness, and receive complete outfits to enable them to enter service and obtain work. Every case is well known and strongly recommended by the Society which brings it forward, or by some responsible citizen. Yet every winter the case committee has the painful task of refusing many pitiable cases owing to lack of funds.

Your generous contributions will be greatly appreciated by the

COMMITTEE.
